

**FEDERATION ELECTIONS - 2006-2007**

Final Report of Winners  
Amended February 6, 2007

The following report has been amended to include the names of Julie Gurner (as representative) and Vincent Castronuovo (as alternate), write-in candidates who had been in a tied race in the Behavioral Science department in the Full-time unit. Their names were omitted from the original Final Report of January 23 as the result of an error in communications. The amended report shows the final outcome of the most recent Federation elections, with the errors rectified. .Copies of the Elections Committee's notes, showing how many votes were received by every candidate, including write-in votes for candidates ineligible to hold office in the department or bargaining unit for which they were written in, are available upon request in the Federation Office. In accordance with federal law, the notes and the ballots will remain available for review in the Federation office for one year.

Note: Where a department is entitled to more than one representative, representatives are listed in alphabetical order by last name. Alternates are listed in descending order by number of votes received (alphabetically, when tied), which numbers are listed when there is more than one alternate.
